

Gaming innovation starts here.

NOVOMATIC worldwide

As well as the rental of gaming devices and Video Lottery Terminals (VLTs), the Group operates electronic and traditional casinos worldwide such as:

Switzerland (Casinos in Mendrisio, Locarno, Bad Ragaz)
Germany (Spielbank Berlin)
Czech Republic (Casino ADMIRAL Colosseum)
Macedonia (Casino FlaminGO)
Gibraltar (Casino ADMIRAL)
Lithuania (Casino Tornado)

In addition to its **headquarters** in **Gumpoldskirchen**, Lower Austria, the Group has **production facilities** as well as **research and development centers** in Germany, Great Britain, the Czech Republic, Hungary, Poland, Russia, the Netherlands, Iceland, Spain, Argentina, Canada and the US.

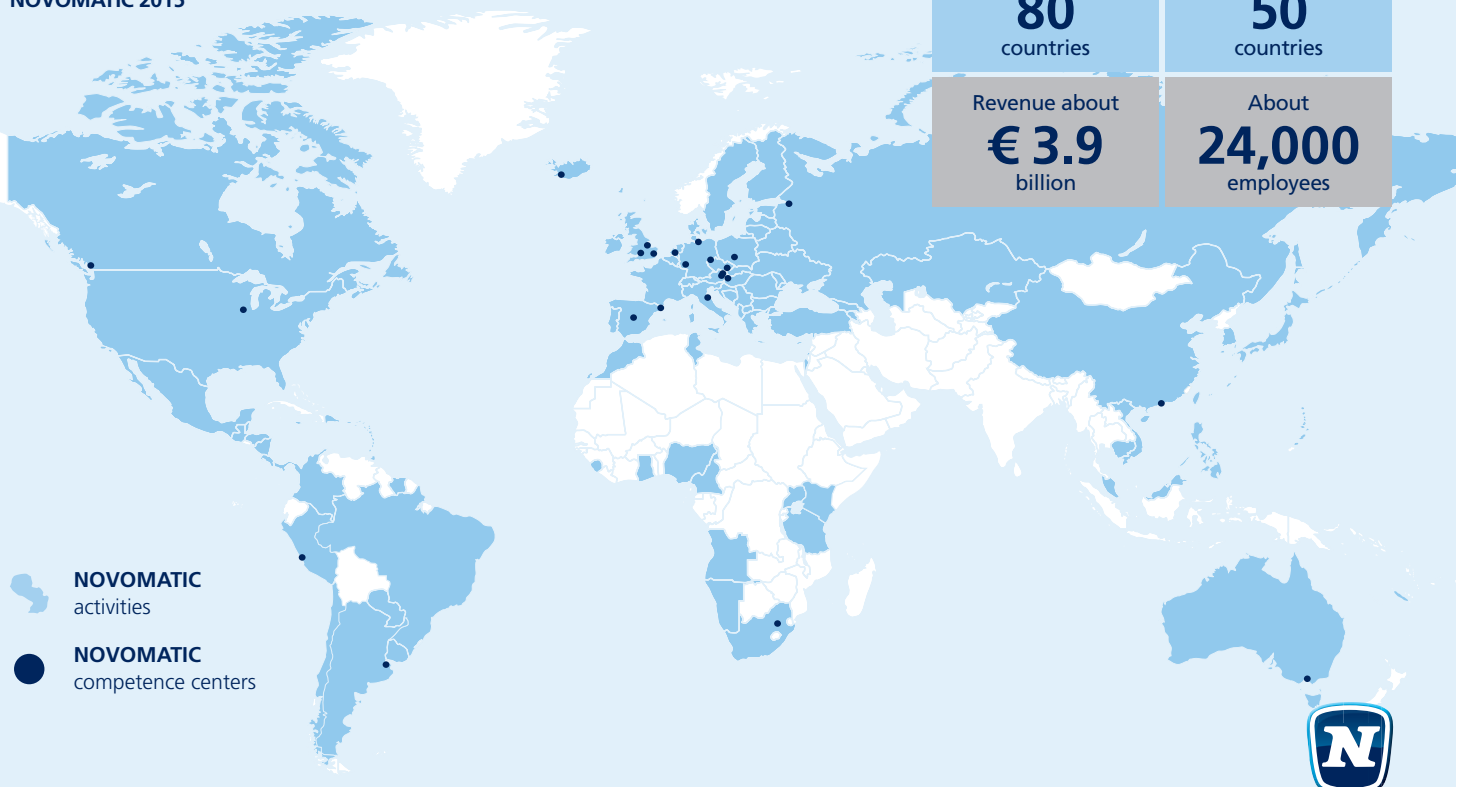

Austria's online gaming leader, **Greentube Internet Entertainment Solutions GmbH**, together with **NOVOMATIC Lottery Solutions (NLS)**, are strengthening the Group in the fields of **Online Gaming** and **Lottery Technology**.

Responsible Gaming & Corporate Responsibility

NOVOMATIC focuses on extensive **Responsible Gaming** activities through collaboration with scientific bodies and organizations in the field of gambling addiction. This has resulted in the **ADMIRAL Card**, which is part of a technologically advanced and safe access system that NOVOMATIC is using to set new standards throughout Europe.

Within the framework of our **Corporate Responsibility** policy, NOVOMATIC supports various social, culture, science and sports activities. Since the beginning of 2014, three-time Formula 1 champion **Niki Lauda** has been NOVOMATIC's international brand ambassador.
