

Internationally recognized: NOVOMATIC is once again “Casino Supplier of the Year”

Subtitle: At the Global Gaming Awards in London, NOVOMATIC received the award for the second time in the category “Casino Supplier of the Year”.

London/Gumpoldskirchen, February 8, 2019 (OTS) - Consecutive victory at the Global Gaming Awards on the sidelines of the world's largest gaming fair, ICE Totally Gaming. NOVOMATIC came in first place as “Casino Supplier of the Year” for the second time. “We operate around 2,100 electronic casinos and casinos around the world and have 28 technology centers in 16 countries. This enables us to test our products in our own casinos and respond more quickly to industry developments and requests from international customers. This award confirms that we perform highly professional work and that this is also recognized by industry experts,” says NOVOMATIC CEO, Harald Neumann.

The Global Gaming Awards have been recognizing special milestones and achievements in the gaming industry since 2014. After four successful years in Las Vegas, the Global Gaming Awards were presented in London for the second time during the ICE.

NOVOMATIC AG was recognized in the segment “Casino Supplier of the Year” for its achievements as an internationally reliable and innovative technology supplier.

This prestigious prize is awarded in a total of 16 categories and honors companies for their product and service innovations. The judging panel, consisting of 50 of the world's leading industry experts, selects the winners from 165 nominated candidates. It is not without reason that this award ranks among the fairest and most reputable in the entire gaming industry, as every vote is audited and awarded independently by KPMG, the world's largest auditing and consulting firm.

About NOVOMATIC

The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs more than 30,000 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in more than 50 countries and exports high-tech electronic gaming equipment and solutions to more than 70 countries. The Group operates around 255,000 gaming terminals and video lottery terminals (VLTs) in its some 2,100 plus gaming operations as well as via rental concepts.
