

LOTUS ROULETTE™ PRO *powered by Impera*

Speed up your experience with the fastest automated Roulette.

The LOTUS ROULETTE™ PRO is an automated six player Roulette island in combination with an HD video slots offering – all in one elegant table.

The games are presented to guests in a highly attractive automated 6-player island configuration, consisting of individual player stations and one automatic Roulette wheel embedded in a magnificent veneered table. Each player station is equipped with a 24" full HD touchscreen monitor that can be individually tilted as well as with automated cash handling.
