NOVOMATIC brings expansive product mix to Peru Gaming Show

A wide variety of the latest NOVOMATIC products will be showcased at the forthcoming Peru Gaming Show on June 19-20 in Lima, with a featured line-up of single games and game mixes, linked and standalone progressives, as well as the latest range of cabinets. On Stand #48, the local subsidiary NOVOMATIC Peru will show visitors a new product selection for the market, including game titles being previewed in Latin America for the first time.

Centre stage will be a series of high-impact Links, including the ENCHANTED FORTUNES™ Linked Jackpot, which has been gaining traction in Peru since its introduction earlier this year. Presented on the sleek PANTHERA™ Curve 1.43 cabinet in 4K, leading titles Asian Fortunes™, Voodoo Fortunes™, Goddess Rising™ and Book of Ra™ Mystic Fortunes that feature a variety of base and feature games will each connect to four linked progressive jackpot levels.

The new THUNDER CASH™ Link will be previewed on the twin-screen PANTHERA™ 2.27 cabinet with the Asian theme Emperor's China™, the Roman theme The Great Conqueror™ and the Egyptian theme Empress of the Pyramids™. Each game brings its own engaging features to the reels with bold graphics and dynamic gameplay. In addition, the CASH CONNECTION™ Link makes its premiere in Latin America with the Charming Lady™ theme that introduces the widely recognised Lucky Lady character to the world of linked progressives.

Another first for Latin America is PAY DAY™ – a 6-level standalone progressive game series – featuring three games that will be presented on the highly popular V.I.P. Lounge™ 2.32 cabinet. Players search for the PAY DAY™ symbol with the loveable panda in Prized Panda™, in Ancient Egypt with Prizes of the Nile™ and in the traditional Pay Day™ theme with classic symbols.

A selection of single games designed for single-screen and curve cabinets, from Winfinity Games and 707 Games studios in Austria and Mount Prospect Studio in the US, will be presented in 4K on the 43" curved screen of the PANTHERA™ Curve 1.43 and V.I.P. Lounge™ Curve 1.43. Two Asian themes bring fire-breathing dragons to the reels with an array of unique bonuses in Dragon

Hits™ and Asian Dragon™ hot, and an epic all-American wildlife adventure bursts onto the reels in Great American Wilds™.

New multi-game mixes on display at the Peru Gaming Show will include NOVO LINE™ Interactive Edition X1 that targets Latin America with a selection of classic and new games like Book of Ra™ Temple of Gold, Viking & Dragon™ and Sizzling Hot™ deluxe. In addition, the NOVO LINE™ Interactive Concurve Edition 4 mix will be displayed with leading curve titles such as Riches of Babylon™ and Phoenix™.

Jens Einhaus, VP International Sales for Europe/Americas, said: "I look forward to the Peru Gaming Show which will be the first trade show in my new position as VP of Sales for Europe and The Americas. We have a strong market share and great team in Peru, and our games continue to be very successful throughout the country. I am confident players will quickly take to our new games and links, increasing our presence even further in the market."

About NOVOMATIC

The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs more than 30,000 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in more than 50 countries and exports high-tech electronic gaming equipment and solutions to more than 70 countries.
