

NOVOMATIC Netherlands introduces new management structure

After the statutory requirements are met, it is planned that Karin den Dunnen, an experienced international Finance Manager with an extensive expertise in gaming industry, will take over the function of the CFO of NOVOMATIC Netherlands B.V.

Gumpoldskirchen/ Waalwijk, August 22, 2023 – As an emerging and important core market, the Netherlands have played a key role for the NOVOMATIC AG Group for more than 10 years. NOVOMATIC Netherlands B.V. is restructuring the management and plans to appoint Karin den Dunnen as new CFO. She will follow Jos van den Borne, who will leave the company after several successful years with NOVOMATIC Netherlands to focus on new challenges in the future.

Karin den Dunnen studied at the universities of Maastricht, Amsterdam, Shanghai and Boston and is a certified financial manager. Through her activities as interim finance manager in different companies and as the VP Finance and Control at Holland Casino N.V. as well as in other companies such as Nutreco or Maersk, NOVOMATIC Netherlands was able to gain an experienced finance expert with relevant experience in the gaming sector. In her new position, Karin den Dunnen will be responsible for the finance team, human resources, corporate IT and compliance, legal as well as internal audit.

NOVOMATIC Netherlands Supervisory Board Member Peter Eder is looking forward to the cooperation: “NOVOMATIC is known for first-class technology products and leading innovation. With Karin den Dunnen we have gained a first-class financial expert with years of experience in the gaming industry. I am sure that by having Karin den Dunnen on board our company will be able to successfully further expand its position and we wish her a successful start at NOVOMATIC.”

“I am looking forward to my new position as it holds very diverse tasks for me and it gives me the opportunity to contribute my experience to Europe's largest gaming group. Being able to work for such a globally active group in my home country and contributing my personal skills and experience makes me proud,” emphasized den Dunnen.

The new and experienced management team will consequently consist of Zane Mersich, Robert Meijer, Reinier Schutte and Karin den Dunnen once the legal requirements are met in the next few weeks.
