

## NOVOMATIC Gaming Colombia brings its XTENSION LINK™ portfolio to GAT Cartagena 2026

*NOVOMATIC Gaming Colombia will showcase several configurations of its XTENSION LINK™, one of the key solutions within its Linked Progressive Jackpot portfolio for the Latin American market, at GAT Cartagena.*

**Cartagena, March 18, 2026** – Colombia represents a strategic market for NOVOMATIC, where the company has led gaming device imports for more than three years. Its technology portfolio is widely recognized by operators across different industry segments, positioning the brand as one of the country's leading suppliers.

In this context, the company will present a selection of its latest solutions for the regional market, with **XTENSION LINK™** taking center stage as part of its current launch tour.

### **New Linked Progressive Jackpots**

The main focus at the show will be the **XTENSION LINK™** series, which will be displayed in several configurations and cabinet formats.

Among them, **XTENSION LINK™ Volume 4** will be showcased on the **BLACK EDITION II 1.49J** cabinet, featuring its distinctive J-curve screen design — a high-tech cabinet that delivers an immersive visual experience and a premium presence on the gaming floor. The lineup will also feature **XTENSION LINK™ Ultimate**, installed on the **BLACK EDITION II 3.27** cabinet, as well as **GLOBE LINK™ Xtension Volume 2**, further expanding the range of Linked Progressive Jackpot solutions available to operators.

In addition, NOVOMATIC Gaming Colombia will present **Impera PROLINK™** on the **MASTER SL™ 3.32** cabinet, complemented by a circular sign.

“Operators are familiar with the performance of our solutions in the market, and that trust is the foundation on which we continue to develop new configurations and content for our jackpots,” said **Manuel Del Sol, CEO of NOVOMATIC Gaming Colombia.**

### **Multigame solutions for different floor segments**

The showcase will also include a selection of **multigame solutions** designed to provide operational flexibility and a wide variety of content.

The **FUNMASTER 2.27** cabinet will be presented with **Magic Games HD Magic Play Edition 5** and **GAMINATOR™ X5**. Meanwhile, **PANTHER 2.27** will be available with **Impera Line™ HD Edition 9** and **Superia Games™ Premium 3**, offering high-performance content with strong player appeal.

“The regional market is diverse, and our goal is to offer solutions that enable operators of different sizes to incorporate NOVOMATIC technology into their gaming floors,” added Manuel Del Sol.

With this showcase, NOVOMATIC Gaming Colombia reaffirms its commitment to developing innovative solutions for the Latin American market, combining engaging content, advanced technology, and configurations tailored to operators' needs.

Visitors will be able to experience these solutions and explore the company's portfolio at **GAT Cartagena 2026**, taking place on **March 25–26 at Hotel Las Américas**, by visiting **Stand A27**, where the NOVOMATIC Gaming Colombia team will present its latest Linked Progressive Jackpot and multigame solutions.
