

## NOVOMATIC to Showcase Strong Portfolio and Regional Highlights at Belgrade Future Gaming 2026

*Tailored product mix, proven linked progressive performance and Balkan-focused content underline regional commitment.*

**Gumpoldskirchen/Belgrade, May 13, 2026** – NOVOMATIC will present a powerful and regionally tailored portfolio at Belgrade Future Gaming 2026, underlining its strong market position and long-standing commitment to Southeast Europe. Visitors to the NOVOMATIC booth can expect a carefully curated mix of high-performing linked progressive solutions, advanced game content and premium cabinet experiences – all designed to meet the specific preferences of the Balkan market.

A key highlight of this year's showcase is the **Impera Line™ HD Edition 10 – Balkan Special**, specifically developed to address regional player demands with a customized selection of popular game content. The presentation is further strengthened by Impera PROLINK™ 2, delivering engaging linked progressive gameplay and multi-feature performance on international casino floors.

NOVOMATIC's internationally successful linked progressive portfolio will be prominently featured with multiple entries from the **XTENSION LINK™** series, including Volumes 2, 3, 4 and 5, as well as **XTENSION LINK™ Ultimate**, offering a broad range of game styles and mechanics that continue to resonate strongly with players worldwide.

Another major attraction is **VISION LINK™**, NOVOMATIC's latest multi-feature linked progressive concept, combining modern gameplay design, five-pot mechanics and the popular LOCK&SPIN feature to create an engaging and scalable player experience.

The showcase is complemented by the **GAMINATOR™ X5**, a proven performer known for its strong game mix and versatile customization options, allowing operators to configure tailored package setups aligned with local player preferences.

Taking center stage is the **DIAMOND X™ QUATTRO 1.55J**, NOVOMATIC's flagship cabinet and winner of the "Best Slot Machine" category at the prestigious European Casino Awards 2026. Combining a striking 55-inch J-curved UHD display with a refined glass touch deck and premium sound experience, the DIAMOND X™ QUATTRO 1.55J delivers exceptional visual impact and immersive gameplay, making it a standout centerpiece on any gaming floor.

NOVOMATIC will also present a premium setup of V.I.P. X™ cabinets, including the **V.I.P. X Royal™ 1.85** and the award-winning **V.I.P. X Galaxy™ 2.65** cabinet, paired with top-performing content and demonstrating high-end gaming solutions for modern casino environments.

“With our presence at Belgrade Future Gaming, we are reaffirming NOVOMATIC’s strong commitment to Southeast Europe,” said **Miloš Pejić, Regional Manager SEE at NOVOMATIC**. “Our portfolio combines proven international performance with tailored regional content. From advanced linked progressive solutions such as VISION LINK™ and the XTENSION LINK™ series to customized offerings like the Impera Line™ HD Edition 10 – Balkan Special, we are delivering solutions that meet the specific expectations of our partners and players in this region.”

With this comprehensive lineup, NOVOMATIC once again demonstrates its ability to combine global innovation with deep regional expertise, delivering high-performance solutions that drive player engagement across diverse markets.

#### **About NOVOMATIC**

*The NOVOMATIC AG Group is, as a producer and operator, one of the largest gaming technology groups in the world and employs about 26,000 people. The Group was founded by the industrialist Professor Johann F. Graf in 1980 and has locations in about 50 countries, and exports innovative gaming equipment, system solutions, lottery system solutions, and services to more than 130 countries. The Group operates gaming terminals and video lottery terminals (VLTs) in its approximately 2,000 own electronic and regular casinos, as well as via rental models.*

*The NOVOMATIC AG Group is active as a full-service provider in all segments of the gaming industry through its numerous international subsidiaries, offering a comprehensive omni-channel product portfolio for partners and customers worldwide. This ranges from terrestrial gaming products and services, through management systems, cash management solutions, and online, mobile, and social gaming solutions, to lottery and sports betting solutions, as well as a whole host of other first-rate products and services.
