

Strong brand, prestigious award: NOVOMATIC once again named “Superbrand Austria”

According to Superbrands Austria, Europe’s leading gaming technology group remains one of Austria’s leading brands in 2026/2027.

Gumpoldskirchen, September 1, 2026 – The world’s largest independent organization for brand evaluation has awarded NOVOMATIC the prestigious “Business Superbrand Austria” seal for the years 2026/2027. The autonomous panel of experts evaluates the most significant consumer and business brands in approximately 90 countries on the basis of a set of internationally standardized criteria. As a result, NOVOMATIC has once again been named one of Austria’s most powerful brands. This renowned award underscores the international appeal of the Lower Austrian technology group.

“This latest recognition as a Business Superbrand Austria is a special acknowledgment of our brand’s international standing and consistent innovative strength. Our more than 26,000 employees make a significant contribution to this; with their expertise and dedication, they play a decisive role in shaping NOVOMATIC’s success,” emphasizes **Stefan Krenn, Member of the Executive Board of NOVOMATIC AG**, during the ceremonial handing over of the Superbrands seal at the Group’s headquarters in Gumpoldskirchen.

Regional Director of Superbrands Austria, András Wiszkidenszky, highlights: “NOVOMATIC has established itself over many years as a strong and internationally successful brand. Continuity, trust, and the ability to successfully evolve in a dynamic market environment are what particularly characterize the company. This renewed recognition underscores this successful development, and I extend my sincerest congratulations to the entire NOVOMATIC team.”
