

NOVOMATIC Colombia heads to GAT Bogotá 2026 with solutions already delivering strong performance across Latin America

Gumpoldskirchen/Bogotá, October 6, 2026 – NOVOMATIC Colombia will participate in the upcoming edition of **GAT Bogotá**, which takes place on **October 15 at the Sheraton Bogotá Hotel in Ciudad Salitre, Bogotá**, with a showcase focused on **Linked Progressive Jackpot** solutions that are already delivering strong results across gaming operations in the region, alongside a new range of highly competitive multigame offerings.

At **Stand A15**, the company will place particular emphasis on its **Linked Progressive Jackpot** portfolio, including **RISE TREASURES™**, **IMPERA PROLINK™ 2** and **XTENSION LINK™ Evolution**, all presented on the **BLACK EDITION II 1.49J** cabinet. These solutions arrive in Bogotá on the back of a flourishing market performance. Most notably, **XTENSION LINK™ Evolution** was recently ranked the **#1 new game in Latin America**, achieving a performance index of **2.93x the house average**, according to the *Latin America Game Performance Report* from Eilers & Krejcik Gaming and Fantini Research.

The showcase will also feature **XTENSION LINK™ Ultimate** on the **BLACK EDITION II 3.27** cabinet, further expanding NOVOMATIC's progressive portfolio as it continues to gain traction across gaming operations throughout the region. In addition, **Superia Games™ Link 1** will be presented on the **MASTER SL™ 3.32** cabinet, adding another solution that brings together compelling content, jackpot functionality and platform versatility for a broad range of operational profiles.

Alongside these premium solutions, NOVOMATIC Colombia will introduce an updated proposition for the **Entry Level** segment. Following the strong reception of **Magic Games Premium HD Edition 5** at GAT Bogotá 2025, the company will once again showcase this solution while also adding **NOVO LINE™ Interactive Edition X3**, available on the iconic **SUPER-V+ GAMINATOR® III 3.24** cabinet. This new offering provides operators with a particularly competitive investment proposition, bringing NOVOMATIC technology and content to gaming operations as they seek to optimize their budgets.

In line with concept **“One of our icons at a price you may never see again,”** NOVOMATIC Colombia is further strengthening a portfolio designed to address different operational profiles and floor sizes, ranging from high-performing premium solutions to entry-level alternatives that offer a highly attractive investment proposition.

“We’re bringing some of our latest launches to GAT Bogotá, with the advantage of already having real floor experience with these products. Tests carried out across the region have allowed us to validate their performance and player response, enabling us to arrive in Bogotá with innovation backed by concrete results,” said **Manuel Del Sol, CEO of NOVOMATIC Colombia**.

NOVOMATIC Colombia invites operators, business partners and gaming industry professionals to visit **Stand A15** at GAT Bogotá 2026.

About NOVOMATIC

The NOVOMATIC AG Group is, as a producer and operator, one of the largest gaming technology groups in the world and employs more than 26,000 people. The Group was founded by the industrialist Professor Johann F. Graf in 1980 and has locations in about 50 countries, and exports innovative gaming equipment, system solutions, lottery system solutions, and services to more than 130 countries. The Group operates gaming terminals and video lottery terminals (VLTs) in its approximately 2,000 own electronic and regular casinos, as well as via rental models.

The NOVOMATIC AG Group is active as a full-service provider in all segments of the gaming industry through its numerous international subsidiaries, offering a comprehensive omni-channel product portfolio for partners and customers worldwide. This ranges from terrestrial gaming products and services, through management systems, cash management solutions, and online, mobile, and social gaming solutions, to lottery and sports betting solutions, as well as a whole host of other first-rate products and services.
