

NOVOMATIC Colombia concludes GAT Bogotá 2026 with even stronger relationships and new business opportunities

Gumpoldskirchen/Bogotá, October 23, 2026 – NOVOMATIC Colombia successfully concluded its participation in GAT Bogotá 2026, held on October 15 with a day marked by meetings with customers, operators, partners and key representatives of the gaming industry in Colombia and across the region.

At Stand A15, the NOVOMATIC Colombia and Central America team welcomed numerous visitors, who had the opportunity to experience first-hand a portfolio specially selected for the local market, combining Linked Progressive solutions, multi-game content and cabinets designed for different operational profiles.

One of the main highlights of the exhibition was a broad selection of Progressive solutions. The BLACK EDITION II 1.49J featured XTENSION LINK™ Evolution, IMPERA PROLINK™ 2, XTENSION LINK™ Volume 4 and RISING TREASURES™, while the BLACK EDITION II 3.27 showcased Superia CASH CONNECTION™ Vol. 2, IMPERA LINK™ Series 2 and XTENSION LINK™ Ultimate.

The portfolio was completed by SUPERIA GAMES™ Link 1 in the MASTER SL™ 3.32 cabinet, together with MAGIC GAMES™ HD MAGIC PLAY in the PANTHER 2.27, broadening the exhibition with solutions tailored to different commercial needs and investment strategies.

Among the products presented, XTENSION LINK™ Evolution arrived in Bogotá backed by its recent performance in Latin America, where it ranked #1 among new games in the region according to the Eilers & Krejcik Gaming and Fantini Research report, with a performance index of 2.93 times the house average.

Beyond the product exhibition, GAT Bogotá once again proved to be a key meeting point for discussing market challenges and opportunities, better understanding operators' needs, and exploring new business possibilities.

"GAT Bogotá is especially important to us because it allows us to stay close to our customers, listen to their needs and discuss how we can support them with solutions tailored to each operation. We are leaving having enjoyed some very valuable conversations and with new opportunities to continue growing together," said **Manuel Del Sol, CEO of NOVOMATIC Colombia**.

With GAT Bogotá 2026 as a key meeting point, NOVOMATIC Colombia continues to strengthen its position in the market and build long-term relationships with customers and partners across the region.

About NOVOMATIC

The NOVOMATIC AG Group is, as a producer and operator, one of the largest gaming technology groups in the world and employs more than 26,000 people. The Group was founded by the industrialist Professor Johann F. Graf in 1980 and has locations in about 50 countries, and exports innovative gaming equipment, system solutions, lottery system solutions, and services to more than 130 countries. The Group operates gaming terminals and video lottery terminals (VLTs) in its own approximately 2,000 electronic and regular casinos, as well as via rental models.

The NOVOMATIC AG Group is active as a full-service provider in all segments of the gaming industry through its numerous international subsidiaries, offering a comprehensive omni-channel product portfolio for partners and customers worldwide. This ranges from terrestrial gaming products and services, through management systems, cash management solutions, and online, mobile, and social gaming solutions, to lottery and sports betting solutions, as well as a whole host of other first-rate products and services.
