## **Löwen Entertainment rezertifiziert**

BINGEN - (red). Löwen Entertainment und das Tochterunternehmen Admiral Entertainment haben für ihre hochwertigen Spieler- und Jugendschutzstandards zum wiederholten Mal das Zertifikat der Global Gambling Guidance Group (G4) erhalten. Der Zertifizierung ging ein mehrtägiges Auditverfahren voraus. Hierbei wurden die Präventionsmaßnahmen durch G4 nach der Erstzertifizierung im Jahr 2019 erneut umfassend analysiert. Der G4-Standard geht über bundes- oder landesweite gesetzliche Anforderungen hinaus und gilt international als einer der strengsten im Bereich des Spielerschutzes. Im Rahmen des Audits wurden rund 100 Kriterien überprüft. Dazu zählen unter anderem interne Richtlinien, die Qualität der Schulungsangebote für Mitarbeiterinnen und Mitarbeiter sowie die Effizienz weiterer Spielerschutzmaßnahmen in den Spielhallen des Unternehmens.

„Die Ergebnisse des Audits spiegeln die hohe Bedeutung wider, die Löwen Entertainment und Admiral Entertainment dem Spieler- und Jugendschutz bei ihren Angeboten beimessen“, sagt Ynze Remmers, Leitender Auditor von G4. „Beide haben bereits seit Langem sehr hohe Standards etabliert – vom Einsatz technischer Systeme für die Zutrittskontrolle bis hin zu den regelmäßigen Mitarbeiterschulungen – und das bei der Rezertifizierung wieder unter Beweis gestellt.“

## Greentube Go Live in Regulated Dutch Market

The Novomatic Interactive Division Greentube have announced today that they have gone live with their catalogue of games in the regulated Dutch marketplace, thanks to their partnership with the platform provider Finnplay, allowing Greentube games to be featured on the brand Batavia Casino, operated by Play North.

Batavia Casino is one of the first online casinos to be awarded a coveted Dutch licence from the regulator Kansspelautoriteit and subsequently their customers will now be able to enjoy classic games to include the likes of Book of Ra™ deluxe, Always Hot™ and Dolphin's Pearl™.

Commenting on the news, Greentube's Sales and Key Account Manager for the Netherlands, Andy Dushek said: *"We have already seen great results from our initial activity within the newly regulated market in the Netherlands and players have responded well to the wealth of content we have provided."*

*"This deal to take games live with Play North is a perfect next step, given that its Batavia Casino brand has been carefully designed to offer a gaming experience that can be enjoyed by Dutch players from a wide range of demographics."*

Dushek's comments were added to by Krista Kuusijärvi, the Brand Operations Manager at Play North, who stated: *"Batavia Casino provides a safe, secure and highly entertaining environment for players in the Netherlands to enjoy a huge range of engaging titles."*

*"Greentube's combination of new and classic titles offers a fantastic mix for our customers and we look forward to a long and successful partnership with one of the industry's biggest names."*

## Greentube goes live in the Netherlands with Play North's online brand Batavia Casino

*(Vienna). - Greentube, the NOVOMATIC Interactive division, has taken its dynamic games catalogue live with Play North's new casino brand Batavia Casino in the regulated Dutch market.*

Batavia Casino customers can now enjoy titles from a comprehensive portfolio, which includes an array of top-performing Dutch Classics such as *Random Runner™*, *Random Runner™ 15* and *Mega Slam Casino*, along with classic NOVOMATIC titles such as *Book of Ra™ deluxe*, *Always Hot™*, *Dolphin's Pearl™* and many more.

The successful integration took place through the platform of Greentube's long-term partner Finnplay, with the go-live following the opening of the newly regulated Dutch market on 1st October 2021.

As part of the first batch of licence holders in the Netherlands, Play North's Batavia Casino was created with the aim of providing a truly Dutch casino experience and has quickly established itself as a favourite among the country's players. Greentube is able to offer its games through a Dutch supplier licence, which includes all requisite game certifications.
